Year 10 GCSE Timetable June 2010

This is a detailed timetable showing all the GCSE exams being taken by Year 10 this summer. You should study this carefully.

It is the time given on this timetable that you must follow.

Where it says “**Assemble Time**” this means the time you must be waiting outside the exam room. It will then give you enough time to file into the exam room and papers to be issued in a calm and organised manner with the aim of starting approximately 5-10 minutes later. Remember, **exam conditions start immediately you enter the exam room** – if you can't remember these please refer to the Exam Guide you have been given or go onto the College Website: www.robertsbridge.org.uk or VLE where you will find a copy on the Exam Page.

IMPORTANT : Keep checking the Exam Notice Board for seating plans and up to date information during the exam period.

Finally:

If you have any concerns please let me know as soon as possible.

A Marden – Exams Officer

REMEMBER:

- Arrive on the correct day, at the right time and on time.
- **You must wear your school uniform.**
- **Phone the College immediately** if you have a problem and you are going to be late or if you are ill (**01580 880360**) **ext 115**
- **No** bags, coats, books etc in the exam room.
- **NO MOBILES , iPods or MP3 players in the exam room.** You will be disqualified from the exam if one is found on you in the room once the exam has started.
- **Bring all the equipment you need for each exam** (see-through pencil cases only or a clear plastic bag).
- **You must use black ink.**
- **No calculator lids are allowed in the room.**
- You may bring a small bottle of water and packet of mints (without labels on).

You will receive a personal Statement of Entry in due course showing the rooms and seat numbers allocated to you for each of your exams.
