**Any other business.**

Dickie Clymo attended the meeting to discuss weather we would be prepared to take on a scheme where people pay a certain utilities company for their bills and the college would receive 10% of each bill. Although this is a good idea in theory, in practice not so easy as people do not like changing and also a massive job for the committee.

After much debate we think possibly a better option would be a donation once a year as many other schools do. Wendy is going to look out some paperwork as to what this involves etc. Also to be discussed with Karen. A large amount of the school fund goes on end of year trips, would it be cheap to bring the entertainment to college? Also if the end of year trips were for everyone then a bigger donation could be asked for?

**Date of next meeting - A.G.M. Thursday 3<sup>rd</sup> December 7.00 pm R.C.C. staff room.**
