We are going to learn how to hold effective school council meetings and become more influential council members.

- **Form representatives**

School council members are to find out who the form representatives for their house are and to make sure they know their role (example checking equipment etc), also to ask them to talk to members of their forms about issues throughout school they want to bring to the council.

- **Council members to talk in assemblies**

The council members are to talk in assemblies so the rest of the student body knows the decisions made by the school council.

After voting the standings are:

Artisans rep: Jacob Smith

Smugglers rep: Lauren Baker

Mariners rep: Liam Burke

- **Projector**

The hall projector is old and does not look presentable, it will cost 4 thousand pounds to replace. Should we: use our money, the yr 11 funds, or ask the RCCA to go halves with us. After voting the outcome is that we would like to ask the RCCA to go halves with us. Ms Roberts will ask Mr Downs to approach the RCCA

**Other news:** - Tuesday morning is when we will have a council photo.  
- The old RCCA board is now for the school council and Alice will look after it with help from other members.

**Agenda for next week:** - Feed back from Langdon School  
- Action plan for future
