

Dear Parent,

I am writing to inform you of an expedition planned for the Bronze Duke of Edinburgh group. Your child will need to complete these training days in preparation for their final assessment for the expedition section of the award. The trip will take place on the 1st – 2nd April 2010 and we will be staying overnight at Robertsbridge Community College. The two days will build on their training in navigation and camp craft.

Your child will be accompanied by two members of teaching staff and will be staying at the school overnight. Students need to be at the College by 10.00am on Thursday 1st April and will need to be collected from the College at approximately 15.30pm on Friday 2nd April. Most meals will be provided over the weekend but students will need to bring a packed lunch for the first day. Attached is a kit list containing all the clothing and equipment that they will require. Not all of the items are essential and if you have any queries then please contact me at the college. No pocket money will be needed for the expedition, however we are asking for a parental donation of £12 to cover the cost of food and camping gas.

Insurance has been taken out for the duration of the expedition. If you have any questions they please feel free to contact me at the school or using the e-mail address cconnor@robertsbridge.org.uk. I would be grateful if you could return the attached tear-off slip below to say that you have received this letter and understand the arrangements for the trip as well as completing the parental consent form.

Mr C. Connor
Duke of Edinburgh Coordinator

Bronze D of E Training Expedition

I have read and understood your letter regarding the D of E Training expedition
